

# Don't Weep

*Lyrics and Music by*  
**Jeffrey Luckey**

## *Verse*

Come. Refuge is yours.

Open your heart

And I will restore what was lost

Don't say a word

Be still and know

That I AM GOD.

## *Chorus*

Don't weep,

God is the cure for the

Broken heart.

Don't weep,

You will find rest

In his arms.
