

Something New

Key: D

Lyrics and Music by
Jeffrey Luckey

Verse 1

I wanna live real life,

I wanna leave the world of emptiness behind.

I wanna live real life,

I wanna flee from all the darkness I've desired.

Pre Chorus

I won't hold, I won't hide,

Your forever-given love inside.

Chorus

Whatever it takes, God, show me your ways

I'm willing to waste what this world has to offer

For infinite grace. God, you bore my shame,

Won't make the mistake of living like I'm my own.

Verse 2

I wanna live real life,

I wanna walk beneath the Everlasting Light.

I wanna live real life,

I wanna breathe the fullness of my true design.

Bridge

Take me, break me, mold me, make me Into something new.

Wake me, shake me, pull me, change me I will live for you.

Whoa—o—o
