## *Verse 1*

I know my mind will never comprehend  
Your great expanse: Heaven's absence of an end.

## *Pre chorus*

I can't pretend that I'll understand  
You're great love, You're great love

## *Chorus*

Oh show me what it means  
To live with mystery,  
I don't have the answers, God,  
Will You answer me?

## *Verse 2*

I know my heart is ever overwhelmed  
By saving grace: Endless mercy never ceasing

## *Verse 3*

To rescue me, a broken, winded frame,  
From the crushing weight of eternal separation.

## *Bridge*

Your great love, Your great love, for me.
